

**Report:**

Based on the provided meeting transcript, there are no clear action items or to-dos identified. The conversation appears to be mainly about a technical issue with a notetaking AI and the discussion of Justin's new job at the bank. [02:01](#)

The key points from the transcript are:

- Justin mentions starting a new job at a bank on the Global Financial Crimes team, where he will be helping to redesign processes and implement controls. [02:06](#)
- There is a discussion about a notetaking AI that is present in the meeting, but it is not clear if it is actually taking notes or just muted. [00:37](#)
- At the end, Justin and Nell agree to wrap up the meeting and Justin will follow up with Nell later. [01:46](#)
